INFORMATION

SAFETY AT SEA

You will find raised thresholds in your stateroom. Watch your step when entering and exiting your bathroom and shower. Do not open your balcony door and stateroom door at the same time. In some circumstances, strong winds and internal air pressure can cause the main stateroom door to close abruptly. Please be aware of your surroundings while on open decks, and exercise caution while walking in areas that are or may become wet.

THE WAIT WON'T BE INFINITE

In case of inclement weather or cleaning, the Captain will remotely close your infinite veranda for your safety. A note will be sent to your stateroom the day before scheduled cleaning, and you'll be able to open your veranda as soon as the view is crystal clear.
